

WESTBOROUGH CULTURAL COUNCIL

The Westborough Cultural Council needs your support in keeping the arts and humanities alive in Westborough. Our mission is to support the cultural enrichment and creative opportunities that provide diversity and availability to all residents of Westborough.

We are very pleased and excited to announce the second annual “**Arts in Common**” festival, to be held October 2, 2010 in Westborough. This town- wide event invites the entire community to join together in a celebration of art, music, dance, food and fun! The day-long event will consist of artists, musicians and performers from our local community.

We would like to offer your business the opportunity to be part of this celebration with an advertisement in the **Arts in Common** festival program. Full, half, quarter or business card size page listings are available. The program will be distributed the day of the event to all that attend.
